

How you can contribute to excellent care!

Since it began over 13 years ago, the Hospital Gala has raised over \$ 200,000 for Huntsville District Memorial Hospital. The hospital needs your support on April 16th. Please consider attending and/or sponsoring this important community event.

Your community hospital is here for when you need it. Patients expect (and receive) a great range of services provided right in your home town by your health care team. Your support and participation in this year's event will help support priority needs at Huntsville Hospital and ensure that safe high quality care is here when you need it.

Thank you for caring in your hospital.
